

Delivering Safe Services at Applied Communication Skills

01

Making You Safe

SAFE SPACES
for **EVERYONE**

At ACS, we have procedures in place to make sure you are safe when you receive our supports at home, in the community or at our office.

02

Reducing Risk

STOP

At ACS, we do our best to look at what could go wrong and stop things from going wrong. All of our team members want you to be safe.

03

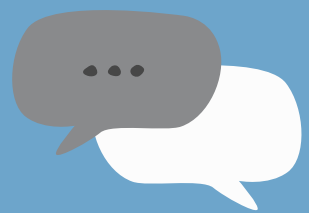

Learning From Mistakes

At ACS, all our team members will learn from any mistakes or issues. We will always be doing our best to improve your experiences and safe delivery of services.

04

Not Feeling Safe?

If you're not feeling safe, please tell us. All of our staff members are here to support you if you are not feeling safe.
